As you play, notice the chord symbols; this will help you to find the right patterns when improvising with a chord chart in front of you. If the chord has no symbol attached to it (eg. F, B[♭] etc.), it is a major chord (arpeggio).

F⁷ = major chord with minor 7th. Cm⁷ = minor chord with minor 7th. A[♭] = diminished chord
 B[♭]Δ = major chord with major 7th. A[♭] = half diminished chord
