

# Sax fingerings 1

Included here are the fingerings considered to be the basic ones required to play the saxophone at an elementary level; this chart includes everything within a two octave range in C major and the default fingerings for all the chromatic notes in the same range.

The chart consists of five systems, each with a musical staff and a corresponding fingering diagram. The first system shows a C major scale in 4/4 time, with notes C4, D4, E4, F4, G4, A4, B4, and C5. The second system shows a C major scale in 4/4 time, with notes C5, D5, E5, F5, G5, A5, B5, and C6. The third system shows a chromatic scale in 4/4 time, with notes C4, C#4, D4, D#4, E4, E#4, F4, F#4, G4, G#4, A4, A#4, B4, and C5. The fourth system shows a chromatic scale in 4/4 time, with notes C5, C#5, D5, D#5, E5, E#5, F5, F#5, G5, G#5, A5, A#5, B5, and C6. The fifth system shows a chromatic scale in 4/4 time, with notes C6, C#6, D6, D#6, E6, E#6, F6, F#6, G6, G#6, A6, A#6, B6, and C7. Each fingering diagram shows the placement of fingers (1-4) on the keys, with black dots for fingers and white squares for keys. The diagrams are arranged in a grid-like fashion, with each note having its own set of fingerings.
